Read and approved

Treasurer's report:

Read and approved- we are currently at 63 paid members

Quarry field report:

Open, flyable and in good shape. Generator is back onsite.

Sod farm report:

Open and wet in several spots. Port-o-potty will be moved in the near future and will be placed near the pin box as usual

Old Business:

Clubhouse update:

First order of business will be placing the concrete. 2 quotes were received to pour the concrete. One was for \$6992 and the other was for \$8164. Neither quote includes placement of the piping, which will need to be done by the club.

Second order of business was to order the piping needed to place, for a total cost of \$842.41 with Todd Fischer (Thank you Todd!) offering to donate 1/2 of the cost.

Motion made and approved to spend \$9000 for the concrete and piping.

Motion made and approved that the final decision on the concrete decisions to include vendor selection and scheduling and the placement of piping to include final inspection will be made at club officers discretion.

Tom Jansen offered to contact another concrete company for a 3rd quote.

Third order of business will be making decisions on the actual building of the building. Further discussion will be held on the building once the concrete has been poured

Quarry safety direction will be TR Miller. There is still an need for a Field Marshall to assist with the coordination. Steve Kaiser volunteered to be one of the Field Marshall. If you are willing to also assist, please contact a club officer or email flyvam670@gmail.com

New Business:

Summer meetings: July and August meetings will be held at Quarry field. Summer fun fly is scheduled for July 19th. More to follow-FYI, EAA is July 20th through July 26th.

Spring clean-up day: will be scheduled at the May meeting

Ground school: will be held June and will be finalized at May meeting

Combat league: will be starting in May. Test and tune will occur the week of April 27th with league to actually start on May 4th with Nat (less than .15 size engine) and regular combat (up to size .46 engine) starting on the following week. These will be done on a weekly rotational basis.

Mower blades will need to be updated and replaced. Motion made and approved for \$100 to be spent on mower maintenance

Generator maintenance will occur in the near future.

Membership drawing: Congrats to Alan Berg for winning the \$40 gift certificates to Galaxy.

Jason Dorn with Green Bay Coating donated 4 bed liner spray on coatings. 1 of these was used in the show and auction with the other 3 for sale at \$500 each (retail value is \$600). Thank you Jason for the generous donation! If you are interested in purchasing one of the bed liners (or know someone that is), contact TR Miller at flyvam670@gmail.com . If you want more information about the spray on coating, contact Jason at 920.336.4242.

Reminders and upcoming events:
